

St. George's Catholic School

11th January 2020

Dear Parent/ Guardian,

As mentioned in my pre-Christmas letter, we were expecting January 2021 to continue being a very challenging time for schools. That has been, of course, borne out in the news that we have been placed in yet another lockdown, with most students being educated off site, in their homes. I appreciate the immense additional pressure this places on parents and carers and, I can assure you that we are doing everything within our means to ensure that you are as supported as possible.

With that in mind, your child will be issued with a remote learning timetable on a weekly basis, which will be a blend of live lessons, recorded loom lessons and work provided on the Show my Homework platform. Selected students continue to attend school each day as their parents are key workers. I am grateful to the teachers for all their efforts with these initiatives.

In addition to this, our pastoral teams are also working very hard to produce weekly assemblies, tutor groups and regular contact with the students in our care. Please do not hesitate to contact the Head of Year if you have any concerns or queries.

Again, I would thank you, as ever, for the support that you offer the strong partnership between the school and home and assure you that this is very much valued by the teachers and school staff.

Yours sincerely

Mr Cathal Gregory
Head of School
