

St. George's Catholic School

'Inspired by Gospel Values to learn, achieve and excel'

16th October 2020

Dear Parent/Guardian,

As you will be aware, from Saturday, London is being moved into Tier 2 of Covid-19 restrictions. As a result, we are mandating that from Monday 19 October, face masks are worn in school buildings, and on public transport. These must be plain black or navy without logos or designs, or be of the standard surgical mask type.

Failure to comply with instructions from the school on mask-wearing may result in a sanction.

Please would you also:

- reconsider how your child travels to school, as avoiding public transport has been advised as part of the new restrictions;
- ensure your child travels straight home and only with members of their own year group or with siblings;
- remind your child that they should not linger in public places;
- remind your child that they should not be frequenting any of the shops in the vicinity of the school in order to avoid mixing of year-group bubbles.

The most important aspect of Tier 2 restrictions is that members of different households should not mix indoors - please bear this in mind going forwards.

Thank you for supporting the school, our community, and the national effort to bring down COVID-19 infection levels.

Yours sincerely,

Mr. Cathal Gregory

Head of School
