

St. George's Catholic School

18th January 2020

Dear Parent/ Guardian,

Many thanks again for your support in facilitating and enabling the remote learning programme to take place as effectively as possible during these challenging times. We are discovering through this platform, how important it is for all our students to engage with it and to benefit as much as they can from it. The feedback that we are currently receiving from most parents is very positive about the remote learning provision and that most initial niggles have been resolved.

The staff would also be very grateful if you could oversee the submission of work and ensure that your child is submitting work using the appropriate means within the appropriate timeframe. As ever, should you have any questions or concerns, please do not hesitate to pass them along.

On your behalf, I must thank all the teachers and those who support lessons, as well as those who perform other key roles in school, for adapting quickly to this new way of doing things. It is not easy, and many teachers are spending a long time planning and executing live lessons, planning pre-recorded lessons and marking and assessing student work, while juggling other personal responsibilities in their own homes.

Equally, on behalf of the staff here at school, I express our gratitude for all the efforts that you are making, often in difficult circumstances to make the situation work as well as it can.

Yours sincerely

Mr Cathal Gregory
Head of School
